

I see from the date on DUP's letter that I have had it on my desk for just over a

This crew of 00-tests girly are really very benign. at the same time, a see them as rather tragic. Wey are destined to become the soines of the grups who were in here last period. Ney all appear to be looked in to the lower levels of human experience. It's tragic, truly. M'r eary to slike down tre scale but oh so deficult to ascend two ladder. Here we have a great many "patter of least resistance"/lowest common denominatore. Doubtless, mart of their children will be like them. There are the "groundling" from Elysbethan literature.
